2. (Confidential - JGO) Messrs. [REDACTED]

[REDACTED] met with Messrs. John Brady and Robert Boyer, House Foreign Affairs Committee staff. Messrs. Brady and Boyer will be leaving Tuesday on a survey trip for Chairman Morgan through the Far East with stops in Tokyo, Saigon, Vientiane, Singapore, Hong Kong, and Manila. In response to their earlier request, they were given copies of Agency correspondence with Harper's magazine and Harper and Row publishers concerning the book "The Politics of Heroin in Southeast Asia" by Alfred W. These documents are for use in briefing the Chairman and will not be utilized in any fashion otherwise without prior consultation with the Agency. FE Division will notify the field concerning the travel. There are no follow-up items to the meeting.

25X1A 4. (Secret - GLC) Sent to David Martin, on the staff of the Senate Internal Security Subcommittee, a paper prepared by NARCOG on opium refineries in the Tachilek area and picked up from the Subcommittee a draft of the prepared statement covering Burma, Laos and Vietnam to be 25X1A used by General Walt in his testimony before the Subcommittee Monday morning. This material was reviewed by Messrs. [] and [] for accuracy and security.

25X1A 5. (Unclassified - MMC) Mrs. West, in the office of Senator Stuart Symington (D., Mo.), called and told me that Mrs. Symington had received a wire from [] indicating that he was departing Hawaii and would be in Washington from the 11th to the 16th and would contact the Senator. Mrs. West said the Senator would like to talk to [] upon his arrival 25X1A and needed a number where he could be reached. After checking with FE Division I told Mrs. West that [] would be in town early this 25X1A afternoon and we would relay the Senator's request (which FE Division is 25X1A undertaking to do).

4. (Unclassified - RW) Judy Spahr, Senate Subcommittee on National Security and International Operations staff, called about a mixup in their FBIS subscriptions. They are receiving two copies of the People's Republic of China Area Book but no copies of the White Book. FBIS was advised and will take care of this.

Miss Spahr also asked for a copy of the first half of Sadat 27 July speech saying they had received the second half of it and would now like to have the first half. FBIS is sending this to us.

5. (Confidential - GLC) Hand-carried to David Martin, Senate Internal Security Subcommittee staff, the map he had requested from [redacted] showing Communist controlled areas in Southeast Asia, the China road near Muong Sing, and the areas involving opium trade. I reminded Martin this was a classified map. When he said he had seen something similar in the newspaper, I told him I understood there had been a map in the New York Times and if he wished to use that of course that was up to him.

25X1A

I mentioned to Martin that [redacted] had been expecting some material from him yesterday which he still had not recieved. Martin said he would not have a draft of the testimony to be given by General Walt to the Subcommittee on Monday before noon tomorrow. I told him [redacted] was extremely busy and I didn't know what he would be able to do in this time frame, but we would wait to hear from him (Martin) tomorrow.

6. (Unclassified - JMM) Met with Representative Ed Hutchinson (R., Mich.) whom I briefed on our concern regarding the Ervin bill rider to the House Civil Rights extension bill (H. R. 12652). Hutchinson appeared generally sympathetic with our problem but pointed out that if the issue reached the floor, we would probably lose in view of the prevailing sentiment in the House. He suggested that I talk with Representatives Brooks (D., Tex.), McCulloch (R., Ohio), and McClory (R., Ill.), who he believes may be members of the conference committee. He said there were no indications that the bill would move in the immediate future, but he would call me if he obtained any contrary information. I left with him copies of backup material explaining the bill and problems in detail.
